

Children's Dinner Program

The Georgia Forestry Association would like to invite registered children between the ages of 4-12 years old to attend and experience the Children's Dinner Program on Tuesday, July 17. Smokey Bear will make an appearance and children will enjoy dinner and a movie.

The Children's Dinner Program will take place from 6:00 – 9:30pm in the Elliott/Drayton room. The cost of registration is \$40.00 and dinner will consist of chicken fingers, french fries, fruit cup, cookie & drink. Movie TBD.

The Westin will provide staff to monitor the room and GFA has hired 3 attendants from a professional care company local to Hilton Head Island to assist with children's needs. Additional paperwork will be required onsite at time of child drop off.

Children in attendance of the Dinner Program must be potty trained. Children 0-3 years old are welcome to attend the Monday evening Welcome Reception with their parents.
